

Manage MySINUMERIK Edge App Management Product Sheet and Specific Terms

The MindSphere application Manage MySINUMERIK Edge App Management enables you to maintain your SINUMERIK Edge device. You can deploy SINUMERIK Edge applications and SINUMERIK Edge firmware including configuration capabilities to always keep your SINUMERIK Edge device up to date.

Prerequisites

Subscription	A valid MindAccess IoT Value Plan (Small/Medium/Large) subscription is required.
Hardware	A SINUMERIK Edge device is needed which can be ordered via your local Siemens sales at separate terms and conditions.
Software	The SINUMERIK Edge firmware version 2.0 or newer is required on the SINUMERIK Edge devices.
Web browser	An HTML5 capable Internet browser is required (e.g. Google Chrome, Mozilla Firefox). The recommended screen resolution is 1024x768 or higher. Mobile devices are supported through the use of HTML5 capable Internet browser.

Description

Asset List	Lists all Assets (SINUMERIK Edge devices) that are onboarded to your MindAccess Account. An Asset can be selected to get an overview of edge applications and firmware installed.
App Management	Lists all SINUMERIK Edge applications and releases of the selected Asset, which can be configured, activated/deactivated, updated as well as removed. You can control the upload of any SINUMERIK Edge application specific data to your MindAccess Account.
Jobs	The Jobs tab shows historical information of each installation, removal or configuration job that had been performed.

Asset Manager: Industrial Edge plugin	The Industrial Edge plugin as extension of the Asset Manager comes along with Manage MySINUMERIK Edge App Management. The Overview tab allows you to onboard your SINUMERIK Edge device to your MindAccess Account. With the Hardware tab, you can configure the network settings of your SINUMERIK Edge device. The Firmware tab lists all available SINUMERIK Edge firmware releases that can be installed on to your SINUMERIK Edge device on your demand.
Application permissions	<p>Manage MySINUMERIK Edge App Management is operated in a data center in Germany and processes the following data:</p> <ul style="list-style-type: none"> • Asset configuration data which describes the Asset (e.g. Asset name, onboarding status). • Logfiles from the Asset will be uploaded to your MindAccess Account periodically. <p>The application performs the following activities which modify or amend Your Content in your MindAccess Account on your behalf:</p> <p>Read access on your Asset configuration data:</p> <ul style="list-style-type: none"> • Read access on Asset configuration data is required in order to use the functionalities of this application. <p>Read /write access on your Asset deployments:</p> <ul style="list-style-type: none"> • Read access on Asset deployment information to display installed firmware, SINUMERIK Edge applications and the corresponding status. • Write access to the Asset to deploy firmware and SINUMERIK Edge applications. • Write access to the SINUMERIK Edge firmware to configure SINUMERIK Edge applications that are already deployed. • Write access to SINUMERIK Edge firmware to configure a SINUMERIK Edge application specific data upload to your MindAccess Account.

Pricing Model		
Fee for	Base subscription	Operation and Update
Price	0 €/month ¹	1100 € per Asset/year ^{1,2}
Billing cycle	n/a	Yearly in advance ³
<p>¹ If a price is displayed in a different currency on the product detail page of Manage MySINUMERIK Edge App Management on www.mindsphere.io/store in your country of residence at the date of registration, such price will be charged; ² The price is shown for one year (365 days) and charged yearly in advance; ³ The Asset based annual Operation and Update fee will be charged the month after the Asset has been onboarded.</p>		
Base subscription fee	The base subscription allows access to the application.	
Usage-based fee for Operation and Update	Starting with the month the Asset has been onboarded to your MindAccess Account, the Operation and Update fee will be applied. The usage-based Operation and Update fee is charged on a yearly basis per each onboarded Asset for new firmware and keeping the MindSphere application up to date.	
Payment terms	The usage-based Operation and Update fee for each onboarded Asset will be charged yearly in advance for one year.	
Adaptation of fees	We may change or add new fees (collectively referred to as “Fee Change”) due to and to the extent required to reflect: (i) changes in the quality or functionalities of the Service; (ii) material changes in market conditions; (iii)	

	<p>general increases in wages or other employment costs; and/or (iv) changes in procurement costs due to price changes made by our suppliers, in each case to the extent that the changes affect our provision of the agreed Service. We will notify you of any Fee Change at least 60 days in advance of the effective date of the Fee Change. Any Fee Change will only apply from the beginning of a renewed subscription or for “Evergreen” subscriptions one year after notification of the Fee Change.</p>
Subscription Term for Operation and Update, termination	<p>The Subscription Term for Operation and Update is one year for each onboarded Asset. Following expiration of the preceding Subscription Term for Operation and Update, the subscription automatically renews with a Subscription Term of one year unless you offboard the respective Asset from your MindAccess Account. You may offboard an Asset from your MindAccess Account at any time. In this case, the Subscription Term for Operation and Update will not automatically be extended after the valid Subscription Term for Operation and Update expired and is deemed to be terminated.</p> <p>Once an offboarded Asset is onboarded again after the end of a valid Subscription Term for Operation and Update a new Subscription Term for Operation and Update starts and the Operation and Update fee will be applied again as stated above.</p>
Subscription Term for the base subscription, termination	<p>The Subscription Term for the base subscription ends with termination by you or us. You may terminate your subscription to this application at any time.</p> <p>PLEASE NOTE: Upon your termination of the base subscription your Assets will be offboarded with immediate effect and you cannot use this application any longer. You are not entitled to onboard Assets after this termination. All fees paid by you to us are non-refundable.</p> <p>We may discontinue the operation of the application by giving you at least one year notice prior to the planned discontinuation date. You are not entitled to onboard Assets after this notification. On the date of discontinuation, the Service is terminated and the regulations in the MindSphere Master Agreement regarding the effect of termination and post termination phase apply.</p>

Specific Terms

Service Level Agreement	<p>The Monthly Uptime Percentage for this application is 99 %. Monthly Uptime Percentage is defined in the MindSphere Supplemental Terms available on www.mindsphere.io/terms.</p>
Application use rights	<p>This application can be used as part of OEM Services as described in the Specific Terms for MindAccess IoT Value Plan published on www.mindsphere.io/terms. Under the Account of your MindAccess IoT Value Plan, you may permit Users of Third Parties to access and use this application for the purpose of receiving a service from you.</p>

Third Party Terms	The application contains Third Party services, including open source software, commercial software, or software-related managed services, which are subject to additional or different terms, license rights, or require certain notices by their licensors, which we are obliged to pass on to you as your licensor and to which you agree to abide (“Third Party Terms”). The Third Party Terms are made available via the following web link: https://sie.ag/MindSphere-ThirdParty_ManageMySINUMERIKEdgeAppManagement .
Changes to the Product Sheet and Specific Terms	We may update this document from time to time during a Subscription Term in order to reflect any changes agreed with or imposed by our subcontractors (including changes in open source software license terms) or when we introduce new features, supplements, enhancements or capabilities (e.g. that were not previously included with the subscription but added for no additional fee). Changes shall become binding upon release of a new version of this document on www.mindsphere.io/terms .
Support	Support for this application may be contacted via Industry Online Support https://support.industry.siemens.com . Support is available in English and German.
