

Analyze MyDrives Product Sheet and Specific Terms

Analyze MyDrives is a smart solution that monitors and analyzes drive systems, for decision making, productivity, and savings.

Prerequisites	
Subscription	A valid MindAccess IoT Value Plan (Small/Medium/Large) subscription is required.
Web browser	An HTML5 capable Internet browser is required (e.g. Mozilla Firefox or Google Chrome). The recommended screen resolution is 1024x768 or higher. Mobile devices are supported through the use of HTML5 capable Internet browsers. Screen size of the mobile device should be minimum 10".
Description	
Dashboard	Provides a collective view about multiple drive system components within the selected filters (defined by location, drive status, asset, label, etc.). Provides detailed information about a drive system component based on selected variables.
Charts	Provides line or scatter plot charts of selected drive system component variables. Allows Users to define minimum and maximum threshold values. Scatter plot charts allow Users to make bi-variate correlation analysis. Trendline feature can be applied as linear or polynomial to a chart to give a clearer picture of the trend. Allows Users to analyze drive system component variables in detail with advanced graphical functionalities.
Notifications	Notifications of Analyze MyDrives provide information according to User-defined threshold values via email.

Application permissions	<p>This application is operated in data centers in Germany and processes the following data:</p> <ul style="list-style-type: none"> • Data which includes Aspect variables. • Asset configuration data which describes the Asset (e.g. Asset name, location). <p>The application performs the following activities which modify or amend Your Content in your MindAccess Account on your behalf:</p> <p>Read access on your Asset configuration data:</p> <ul style="list-style-type: none"> • Read access on Asset configuration data is required in order to use the functionalities of this application.

Size Overview		
Analyze MyDrives	Base subscription	Upgrade subscription (optional)*
Assets	5	5
Aspects	40	40
Charts	200	200
Notifications	5	5

* Maximum number of upgrade subscriptions allowed for this application is 2.

Pricing Model	
Base subscription fee	The base subscription allows access and use of the application with up to 5 Assets, 40 Aspects, 200 Charts and 5 Notifications.
Upgrade subscription fee	The upgrade subscription allows to use additional 5 Assets, 40 Aspects, 200 Charts and 5 Notifications.
Payment terms	The fee for base and upgrade subscriptions is charged monthly in advance.
Subscription Term, termination	<p>Minimum Subscription Term for the base and upgrade subscriptions is 1 month. Following expiration of the preceding Subscription Term, the subscription automatically renews with a Subscription Term of 1 month until terminated by you or us for convenience at least 30 days in advance. The termination shall become effective at the end of the month.</p> <p>We inform you about termination by posting a notice on your Account or sending a message to the email address provided to us. Your termination must be addressed to contract@mindsphere.io.</p>
Adaptation of fees	We may change or add new fees (collectively referred to as "Fee Change") due to and to the extent required to reflect: (i) changes in the quality or functionalities of the Service; (ii) material changes in market conditions; (iii) general increases in wages or other employment costs; and/or (iv) changes in procurement costs due to price changes made by our suppliers, in each case to the extent that the changes affect our provision of the agreed Service. We will notify you of any Fee Change at least 30 days in advance of the effective date of the Fee Change.
Trial	"Trial" refers to an application that has been designated as a "trial" offering in the product description in the applicable Order Form. Any application delivered as a Trial is a "Free of Charge Service" as that term is defined in the MMA. We will notify you by email of the exact start and end date of the Subscription Term for the Trial ("Free Trial Period").

	<p>You may terminate the Trial at any time during the Free Trial Period by providing written notice to trial@mindsphere.io no later than 14 days prior to the end date of the Free Trial Period. We may terminate your access to the Trial at any time after receipt of your written termination notice. Termination of the Trial shall also result in termination of the respective corresponding paid subscription ordered.</p> <p>During the Free Trial Period, our standard support and service level obligations do not apply. We may however, at our sole discretion, make certain free of charge support services available to you. Upon expiration of the Free Trial Period, the Subscription Term for the respective corresponding paid subscription will begin, and you will be invoiced accordingly.</p>

Specific Terms	
Service Level Agreement	The Monthly Uptime Percentage for this application is at least 95%. Monthly Uptime Percentage is defined in the MindSphere Supplemental Terms available on www.mindsphere.io/terms .
Data use rights	<p>“Collected Data” means any information, code or data collected by this application and may include copies of certain parts of Your Content made by the application for use in accordance with these Product Sheet & Specific Terms.</p> <p>During and after the term of the Subscription Term, Siemens and its business partners may use Collected Data to improve this application. Use of Collected Data in accordance with this Section will be at Siemens’ risk. Should Siemens divest substantially all of its assets of a business or should an Affiliate cease to be an Affiliate of Siemens AG, the purchaser of the divested business or the former Affiliate, respectively, may use the Collected Data received by such business or Affiliate before divestment, only as permitted in this Product Sheet & Specific Terms.</p>
Third Party Terms	<p>The application contains Third Party services, including open source software, commercial software, or software-related managed services, which are subject to additional or different terms, license rights, or require certain notices by their licensors, which we are obliged to pass on to you as your licensor and to which you agree to abide (“Third Party Terms”).</p> <p>The Third Party Terms for Analyze MyDrives are made available via the following web link: https://sie.ag/MindSphere-ThirdParty_AnalyzeMyDrives.</p>
Changes to the Product Sheet & Specific Terms	We may update this document from time to time during a Subscription Term in order to reflect any changes agreed with or imposed by our subcontractors (including changes in open source software license terms) or when we introduce new features, supplements, enhancements or capabilities (e.g. that were not previously included with the subscription but added for no additional fee). These changes shall become binding upon release of a new version of this document on www.mindsphere.io/terms .
Notification Service	This application leverages MindSphere’s Notification Service for the sending of emails. The terms and conditions set out in the Supplemental Terms for Notification Service available on www.mindsphere.io/terms also apply to your use of the application.
Support	Support for this application may be contacted via Industry Online Support https://support.industry.siemens.com .
