

# Maintenance Service Assistance

## Product Sheet and Specific Terms

The MindSphere application Maintenance Service Assistance helps you to maintain efficiency of your SINAMICS and SIMOTICS drive systems. This application offers you full transparency on spare parts and maintenance service information for connected Assets. Additionally, you receive a time-based trigger for maintenance and an easy ordering functionality to perform maintenance and keep your drive systems running.

### Prerequisites

Subscription	A valid MindAccess IoT Value Plan (Small/Medium/Large) subscription is required.
Hardware	This application requires the onboarding of a MindConnect device with the variables "ArticleNumber" and "SerialNumber". Such MindConnect devices can be ordered via local Siemens Sales at separate terms and conditions.
Supported Assets	SINAMICS and SIMOTICS drive systems (SIMOTICS LV (Basic-Article-No. 1LE5, 1PC4, 1FP1, 1FP3, 1LA5, 1LA7, 1LA9, 1LE1, 1PC3, 1LG4, 1LG6, 1LP5, 1PP5, 1PP6) non ex and SINAMICS LV G150 / S150 / S120CM (Basic-Article-No. 6SL3710-*G, 6SL3710-*L, 6SL3700-*L, 6SL3700-*M, 6SL3720-*T, 6SL3730-*T))
Web browser	An HTML5 capable Internet browser is required (e.g. Mozilla Firefox, Google Chrome or Microsoft Internet Explorer). The recommended screen resolution is 1024x768 or higher. Mobile devices are supported through the use of HTML5 capable Internet browsers.

Description

Maintenance overview	Lists the recommended maintenance for each Asset with name, category, due date, status and the required maintenance triggered by time interval.
Detailed information	Shows additional information for: <ul style="list-style-type: none"> <li>• Spare parts coming from "Spares on Web" (e.g. net weight, material number, ECCN).</li> <li>• Maintenance activities (e.g. category, trigger).</li> </ul>
Easy order	Allows you to: <ul style="list-style-type: none"> <li>• Add spare parts to shopping cart, change their quantity and order spare parts via "Industry Mall": <a href="https://mallstage.industry.siemens.com/">https://mallstage.industry.siemens.com/</a>.</li> <li>• Add maintenance activities to shopping cart and request service via e-mail to Siemens Global Service Platform.</li> </ul>
Application permissions	This application is operated in data centers in Germany and processes the following data: <ul style="list-style-type: none"> <li>• Asset configuration data which describes the Asset (e.g. Asset name, article number, serial number, tenant ID).</li> </ul> The application performs the following activities which modify or amend Your Content in your MindAccess Account on your behalf: Read access on your Asset configuration data: <ul style="list-style-type: none"> <li>• Read access an Asset configuration data (Asset name, article number, serial number) is required in order to use the functionalities of this application.</li> </ul>

Pricing Model		
Fee for	<b>Base subscription</b>	<b>Additional Assets</b>
	includes up to 5 Assets	per additional Asset
Price	0,00 € / month	1,00 € / month
Billing cycle	n/a	Monthly in arrears
Base subscription fee	The base subscription allows access to the application and usage of up to 5 selected Assets.	
Fee for additional Assets	An additional fee will be applied for each Asset exceeding the number of selected Assets included in the base subscription. Starting with the month in which the Asset is selected to the application, this fee will be charged on a monthly basis (full month principle) for each selected Asset.	

Payment terms	The fee for additional Assets is charged monthly in arrears for each additional Asset.
Subscription Term	The minimum Subscription Term for this application is 1 month. The Subscription Term continues unless terminated by you or us with 30 days' notice. Terminations become effective at the end of the calendar month.
Cancellation	You may cancel the selection of an Asset by deselecting the Asset from the application at any time. The cancelation shall become effective at the end of the month in which the deselecting was conducted.

Specific Terms	
Service Level Agreement	The Monthly Uptime Percentage for this application is at least 90 %. Monthly Uptime Percentage is defined in the MindSphere Supplemental Terms available on <a href="http://www.mindsphere.io/terms">www.mindsphere.io/terms</a> .
Exclusions	The interpretation, implementation and utilization of our suggestions and recommendations are your responsibility alone. We do neither assume any responsibility, warranty or guarantee regarding feasibility and/or applicability of suggestions and/or recommendations, nor for actions or omissions that are based on suggestions and/or recommendations.
Data use rights	“Collected Data” means any information, code or data collected by this application and may include copies of certain parts of Your Content made by the application for use in accordance with these Specific Terms. During and after the Subscription Term, Siemens and its business partners may use Collected Data for Siemens’ internal purposes (e.g. development or improvement of products or services). Siemens shall own and be free to make Collected Data publicly available (e.g. for information and industry trends, benchmarking data) on an aggregated basis with other data in a form that does not identify you and/or your Users.
Third Party Terms	The application contains Third Party services, including open source software, commercial software, or software-related managed services, which are subject to additional or different terms, license rights, or require certain notices by their licensors, which we are obliged to pass on to you as your licensor and to which you agree to abide (“Third Party Terms”). The Third Party Terms are made available via the following web link: <a href="https://sie.ag/MindSphere-ThirdParty_MaintenanceServiceAssistance">https://sie.ag/MindSphere-ThirdParty_MaintenanceServiceAssistance</a> .
Changes to the Product Sheet and Specific Terms	We may update this document from time to time during a Subscription Term in order to reflect any changes agreed with or imposed by our subcontractors (including changes in open source software license terms) or when we introduce new features, supplements, enhancements or capabilities (e.g. that were not previously included with the subscription, but added for no additional fee). Changes shall become binding upon release of a new version of this document on <a href="http://www.mindsphere.io/terms">www.mindsphere.io/terms</a> .
Support	Support for this application may be contacted via Industry Online Support ( <a href="https://support.industry.siemens.com">https://support.industry.siemens.com</a> ). Support is available in English and German.

## Export Control Regulations

AL	N
ECCN	EAR99

## Security Information

General	In order to protect plants, systems, machines and networks against cyber threats, it is necessary that you implement and continuously maintain a holistic, state-of-the-art industrial security concept.
---------	--

## Definitions

Asset	An Asset is the logical representation of a thing which can be a motor or converter. Assets are defined using an 'Asset type'.
General	All other capitalized terms in this document shall have the meaning given to them in the MindSphere Master Agreement.
